The Dimmer VIEW

By MAX GOODWIN

Newspapers across the nation are marking National Newspaper Week. My contribution is a few speeches here and there, pretending we're as important as some of my bigger brothers.

Yet, we are as important, in our own little balliwick as some of our big brother newspapers. We are, any way you look at it, of tremendous local importance. We like to tell, in our talks, why we think we are, to some degree, the watchdog of the local community. We develop our theory, as our talk progresses, that newspapers, such as this, are the man-in-the-street's defense against government.

Many citizens have an occasional brush with government at the local level. These contacts may be with the building department, the planning department, or even the supervisors. A newspaper stands side by side with the citizen when it can be ascertained that some wrong has befallen the citizen. Government, particularly at the lower levels, can make a lot of mistakes. Mostly these are mistakes of judgment which result in an almost insoluble hassle. The fact that local newspapers enter the fray has a salutary effect on the interpreters of the law. Knowing that there is a voice that will answer when poor judgment may be exercised brings into being more fairness than might come if the interpreter's opinion always went unchallenged.

Moreover, I firmly believe that governmental tyranny begins at the lowest echelon.

I further believe that local government is seldom better in ratio, that the degree of awareness possessed by the local press.

Just to show that freedom of speech is practiced at this publication I feel impelled to report that some freedom was taken with my editorial speech last week.

Joe, the composing room foreman, in his anxiety to make up a section of the paper last week, transposed a paragraph from an editorial on the sheriff's office to

Opening Hardship Made Better Personnel Says Grant At Men's Club

Mel Grant, principal of Mt. Miguel high school, told members of the Lemon Grove Men's Club of the myriad complexities resulting from this year's plumbers' strike.

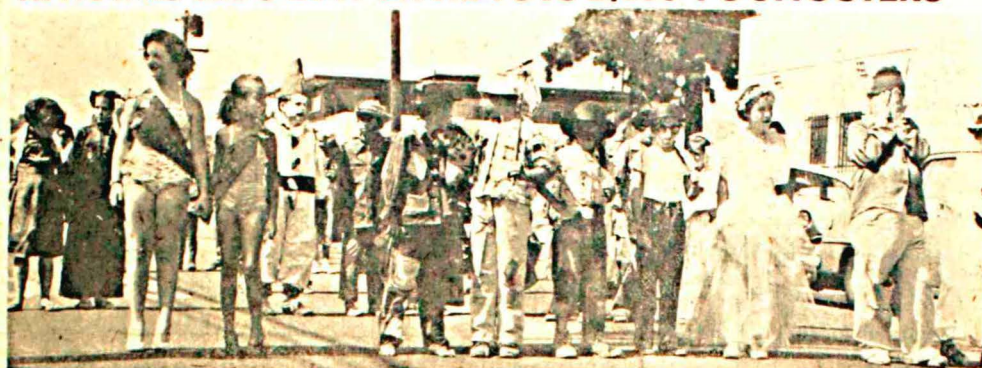

"We are not yet completed," he said. "We flush our toilets with a hose and have to use a holding tank which is pumped out daily. We have a single electric line coming into the facility. We cannot even ring the period bell. The high school PTA plans its first meeting by candlelight," he said.

Grant explained that the plumbers work had held up all other craft, but the wind-up was progressing smoothly now.

Grant said that the hold-up was not without reward because the resultant hardship had drawn the school personnel close together. "We have gotten to know, understand, and like each other because of common problems involved in getting the school underway," he said.

Friday, Max Goodwin, editor of the REVIEW will explain as a National Newspaper Week project, "What Makes A Weekly Editor Tick." Carlyle Reed, assistant to the Union-Tribune publishers will also be on the program. Men's Club meets Friday night at Michael's. All men are invited to attend. No reservations are required. William Parker, Telco local manager presides.

KIWANIS KIDS DAY ATTRACTS 2,500 YOUNGSTERS

More than 2,500 Lemon Grove school kids, their brothers, sisters, mamas and papas, gave Lemon Grove Saturday what is described by most viewers, as the "best parade, ever." They came on trikes, bikes, in buggies, on wagons and in chariots. They wore bur-lap, clown clothes, bathing suits and space men's suits. They were

all sizes, shapes and widths, but they were there and there in number. All this and two fine bands, complete with marching units of pom-poms and twirlers.

It was all part of the Lemon Grove Kiwanis Club Kid's Day project. At the end of the parade came the judging and scores of awards were made.

Terry Shea, daughter of Dr. Pete Shea, took first prize in the float contest. Other winners included Regina Durbin, Barbara Bottini, Daniel Thomas and John Coffey.

The new Mt. Miguel band cut a sharp figure at the head of the parade. Toward the end came the Lemon Grove junior high school musical aggregation, equally sharp and equally talented.

The marchers followed a line around the business block between Imperial and Kempf and finished in the junior high school playgrounds. At that point there were other contests and more prizes. The crowd dispersed approximately two hours after the parade formed as the Kiwanis Club ice cream wagon, and candy supply ran low. Dispersal was aided by the arrival of a helicopter at the nearby Food Basket Market which was holding an opening celebration the same day. The helicopter, sponsored by Laura Scudder products, brought in 4,000 packages of potato chips and these too, were distributed among the paraders.

Freeborn Cressy, who was in charge of the event, said that an unprecedented turnout made precise judging impractical. There simply were not enough judges for the big crowd. The same condition existed at the contest arena. Dr. Robert Burns was division marshal. Bob Howell was parade marshal. Robert Sutton was parade coordinator.

Thad Butts was chief of judging. Dr. Tom Early was in charge of junior marching units (stragglers) Frenchy Faucher was traffic control officer. Frank Armstrong was refreshment committee and Clarence Allen was contest director.

Most all Kiwanis members turned out to help act as guides and guards.

Kiwanis president Dr. Si Brumbaugh said that next year's event would be bigger and better.

COOL CHICK—Sharon Mueller, who is Miss Lemon Grove, is not quite sure. She was invited to take part in the ceremony in which Lemon Grove Piggly Wiggly turned on its new air conditioning equipment so she wore a bathing suit to show why she is Miss L.G., and a fur coat to keep prize-winning parts of Miss L.G. warm when the conditioner was started. Then someone thought of letting her hold a barbecued chicken... sort of chick meets chicken idea... all-in-all it does make an attractive picture.

Harold Secor, local Piggly Wiggly manager said that the Lemon Grove store was the second in the locally owned chain of ten stores to acquire air conditioning. He said that other improvements would be added for shoppers' convenience. Secor, incidentally, is president of the L. G. Rotary club.

MOTLEY CREW—Tramps, bums, clowns and bathing beauties make up part of the paraders who took part in the Kiwanis Kids Day affair. Parade ended with an ice cream, candy jamboree.

—Tappy Foto

CYCLISTS—No cyclist was too small to compete in the Kiwanis Parade. Littlest trikester had sister for go-power. Bigger kids had elaborate trappings on their cycles. There was a section for motorized scooters, too.

Consumers To Be Left Holding Stamp Bag

Financial distress unglued Prudential stamps from thousands of premium books in California this week as a spokesman for the firm and its creditors admitted a quarter of a million dollars worth of stamps "would not be redeemed."

Spokesman was Walter F. Stern, who told the REVIEW by telephone from Los Angeles that he had been retained jointly by the Prudential firm and a committee of creditors to "salvage what could be saved" from the operation.

Stern, who is associated with the Credit Association of Southern California (similar to the San Diego Wholesale Credit Men's Association) said that his job is that of "conservator of assets."

He also said that premium stores all over the state had been closed, merchandise and fixtures removed, and the keys had been returned to landlords. "There is practically no possibility that the firm will be able to make good

the stamps and no possibility the firm will operate again as a premium distributing firm," Stern said, "unless someone shows up with \$250,000 to \$300,000 to supply premiums for the outstanding stamps in the state."

Stern also said that Prudential was not bankrupt, nor had assignments been made to creditors but "it has been apparent for the past few weeks Prudential was in financial distress," he said.

Stern repudiated a statement made to the REVIEW last week by Don Mandell, Jr., who identified himself as "one of the owners of the Prudential firm." Mandell, Jr., had said that redemption stores would be opened this week in San Diego. None were.

Stern also said that the Prudential firm is selling off franchises state-by-state. The owners, he said, are presently in Florida to sell that franchise. Liabilities are such in California, Stern said, that the sale of the franchise here appears improbable.

Spokesmen for Prudential earlier had said that loss of the state's biggest user of Prudential stamps, Mayfair Markets, had hastened the closing of redemption stores because stamp holders turned out "in droves" and depleted the premium merchandise. They said the market firm had dropped the stamps "suddenly," adding to the distress. The market firm switched from Prudential stamps to Orange stamps without advance notice to Prudential stamp users last month. Orange stamps will be a permanent feature, Mayfair Markets officials said.

William Nienaber, brother of Clete, is head of the firm.

Bird Hunter Shoots Market Owner

Stan Totten, owner of Stan's Market on Campo Road, narrowly escaped serious injury last week when he was shot by a Chula Vista hunter the other side of Bonita. Totten was struck with six pellets from a shot gun. Five of the pellets entered his left arm and the sixth struck him just above the left eye. Totten was on a bird hunting trip with three other Spring Valley men; Milton Clark, Leon Green and Howard Takahashi.

"It was just a case of poor judgement, and I was right in the line of fire," Totten said.

Tickets Out For Model Car

Local shoppers were being given tickets this week for a free chance on a junior model Sunliner Auto.

The tickets were being given without charge or obligation to any who visited Boosters Club members of Lemon Grove shops.

Tickets are to be signed, dropped in a box, and the auto, together with scores of other prizes will be given at a giant drawing in the Lemon Grove plaza October 19 at 6:30 p. m.

The drawing is by way of attracting attention to a community wide sales effort of the Boosters on October 17, 18 and 19.

Sunliner is a 56½ inch red auto, 25 inches wide. It has pedal power, pneumatic tires and a 30 inch wheelbase. Body is rust-proof, color-fast styrene plastic.

The auto will be on display soon. Boosters president is Jim Spears, Spears Ford. Veep is Barbara Howell, C-P Appliances.

MIDGET QUARTER RACES SET FOR RODEO GROUNDS

The grading on the property surrounding St. John of the Cross church and school is to enlarge the playground for the school children. It was said by Rt. Rev. Msgr. John McDonough this week. Cut-and-fill created another playground area 450 feet long by 230 feet wide to almost double the play area. The other playgrounds to the south and east is 410 by 250.

In the former rodeo grounds work is being completed by the College Center Optimists on the installation of a quarter midget race course. These gasoline powered midget autos are driven by youngsters 4 to 12 years of age. The cars reach a speed of 35 miles an hour and have safety features which protect the youngsters in case of crashes or flips.

Harry Wilson, local Optimist, said that races would be held every Sunday afternoon, and the plant would be in operation before the first of November.

'Blackie' Penery, Pet G. P. Passes At 5

Sadness reigned last week at the home of John Penery, 8403 Adams Street in Lemon Grove. "Blackie", the Penery's pet guinea pig passed on to that special spot in Heaven where pets are kept.

Blackie had been with the Penerys for five years and had acquired a good, solid kindergarten education. He became the kindergarten guinea pig five years ago when the Penerys lived in Los Angeles. Since coming to Lemon Grove Blackie served as an example of guinea pig perfection at Golden Avenue kindergarten.

Saturday, while other youngsters were enjoying the Kiwanis parade, John Ruth, Susan, Tom and grandma Penery were conducting a funeral in the backyard for Blackie.

Mr. Penery works for School of Education at State College.

A group of Lemon Grove merchants this week are pointing up some important facts: that Lemon Grove has variety of shops and merchandise; has competitive prices; has pleasant clerks and has plenty of parking.

Most everyone who shops in Lemon Grove is aware of these favorable features, but this is the first time a group of retailers have attempted to suggest jointly that you can discover more good features in Lemon Grove that you can find anywhere else in the county.

This, then, is the Lemon Grove Discovery Days issue. To emphasize these advantages, many firms are offering special merchandise. To attract more and more shoppers to these Discovery Days offerings, the REVIEW is widening its circulation coverage around the perimeter of the community, for this issue only.

This will explain why some Lemon Grove fringe residents have received this publication today.

If you are one of the few who have not "discovered" the shopping advantages of Lemon Grove, we invite you to read what some of your neighbors had to say about Lemon Grove shopping. All the following were interviewed Saturday at the opening of the Food Basket Market:

Mrs. Gordon Brooke, 739 Denise Lane, El Cajon, "I like to shop in Lemon Grove because of the variety of stores. It's easy to find a parking place here. We have four children."

Robert Bertram, 7833 Longdale, Lemon Grove, "I like to shop in Food Basket in Lemon Grove because it's just like a family gathering. There are family type people in a family atmosphere. I'm a family loving man myself. We have two daughters, 12 and 2."

Mrs. Richard Van Zele, 8268 Golden Avenue, Lemon Grove, "I can get most anything I need in Lemon Grove and I don't have to fight traffic like they do in San Diego. It's easy to get to Lemon Grove from my home."

Mrs. Carlos L. Hamble, 2667 Grange, Lemon Grove, "I like to shop in Lemon Grove because it's live here. It's close and convenient with no parking problems. You can usually find what you want."

L.L. CLINIC STARTS SATURDAY

Young boys desiring to learn the fundamentals of baseball and improve their baseball ability will be given an opportunity to do so every Saturday morning beginning Saturday.

Officials of the Lemon Grove Little League will conduct a weekly baseball clinic for boys between the ages of 8 and 13 at the Lemon Grove Junior High athletic field. Fundamentals will be taught to boys who have not participated in any organized baseball program, by experienced coaches.

The weekly clinics will begin at 9 a. m. and end promptly at 11:30 a. m. The clinic will be open to the public.

Grove Mother, Daughter Die 4 Hours Apart

Double funeral services were held for two Lemon Grove women, a mother and her daughter, who died last week less than four hours apart.

Mrs. Katherine Nelson, 86, a native of Norway, died at the home of her daughter, Mrs. Elcey Rippee of 2556 Bonita Avenue, with whom she lived.

Mrs. Nelson died late Thursday evening and Mrs. Rippee died early Friday morning.

Mrs. Nelson had lived in the San Diego area 20 years. She is survived by two other daughters, Mrs. Ivar Lundt and Mrs. Florence Freeman, both of Minnesota; three sons, all living elsewhere, 10 grandchildren and six great grandchildren.

Mrs. Rippee's survivors are her husband Hubert; two sisters; three brothers, a stepson and two grandchildren.

New R.E. Broker For Grove

Frank W. de Lemos of Windsor Hills, real estate broker, has been named manager of the Redco Realty Company in Lemon Grove at 7770 Broadway. Associated with him are Alice Childs, Ethel Ferguson and Bess Colli-

ver, all real estate salesmen. Mr. Lemos has been in the real estate business in El Cajon for the past 11 years. Prior to that he was with the Automotive Brake and Supply in San Diego for 18 years.

Redco (Real Estate Development Co.) will handle sales and rental of commercial and residential properties; sale and lease of unimproved property, and will supply public stenographer and notary public service.

Mt. Miguel Music Parents To Sponsor Benefit Show

At the well-attended regular meeting of the Mt. Miguel Music Parents Club, on September 24th, plans were put in operation for a first run movie showing at the Grove Theatre, early in November. The proceeds from this project will be used toward sending the band students to the All Western Band Review at Long Beach, later that month. Mr. Hilliard is chairman of this committee.

It was announced that Mrs. Carruthers will be historian to replace Mrs. Grant.

Larry Christianson, the head of the music department provided the program for the evening. Mr. Christianson explained most interestingly, the routine followed by band directors for preparing "half-time" shows, and it is certainly a tribute to him and the students, that the entire ensemble made such an effective showing at their first public appearance, at Aztec Bowl, September 20.

Members of the Music Parents said that more support is needed. The group meets the fourth Tuesday of each month at Mt. Miguel high school at 7:30 p. m.

Los Lugareños To Mark Tenth Anniversary

Los Lugareños will celebrate its tenth anniversary with a California Formal dance Saturday at Casper's Ranch Club in El Cajon. Invitation have been sent to the thirty-four charter members to be guests at this event. The six charter members, who are still active in the group will be specifically honored. They are: Messrs and Mmes. Ray Fellows, A. B. Arnett, Donald Rieben, Bud St. John, Jerry Howell and Burnett Karlsgott.

Mr. and Mrs. George Bailey are chairmen for this dance which will also mark the introduction of nine new members. They are: Messrs. and Mmes. Arthur Zinn, Duke Fairchild, John Glenn, Frank Huff, Armando Rodriguez, Warren Weir, Harold Montgomery, Blakemore Thomas and Richard Cloyd.

Cocktail parties in the homes of the members of the board of directors will be held prior to the dance for members and guests.

Local Jehovah's Witnesses To Hear N.Y. Speaker

The Lemon Grove-Spring Valley-La Mesa congregation of Jehovah's witnesses is being visited the first week of October by Lester M. Dugan of New York. A minister and evangelist, Mr. Dugan will speak at the La Mesa Kingdom Hall Sunday evening, 6, on the subject "Finding Happiness in a Troubled World."

During his visit Dugan will speak to the congregation several times. Edgar A. Flinn, presiding minister, announced to the group this week. Besides pointing out the teaching qualifica-

ception as a weed killer. In recent experiments, University of California plant scientists applied it to potato plant foliage before harvest and produced tubers that showed little or no sprouting and lost none of their market quality after six months in storage.

This effect may help potato growers "hold over" part of their crops, either by leaving them in the ground or by gathering them into storage sheds, in order to catch a more favorable time of the year.

tions necessary for a Christian minister, the talks will also point out the need for Christian conduct. Flinn said he had arranged for members of the congregation to work with Dugan from house to house in an intensified ministerial training program.

Believing that God's righteous rule of earth is man's only hope for lasting peace and happiness the witnesses are making every effort to bring this information to the attention of the people.

The Sunday evening talk is open to the public and is free. People of the community are being urged to attend.

Quirk In Law Makes Mt. Miguel, State Fire Ward

Few residents of the Spring
Valley-Lemon Grove areas are a-
ware that the new Mt. Miguel

High School is in neither of the
two local fire protection districts.
The protection of the high school
is a problem mainly of the State
Division of Forestry.

In the beginning it was meant
to be different. The Grossmont
High School District had start-
ed petitioning to get into the

Spring Valley Fire Protection
District. But due to a legal tech-
nicity which involved a private-
ly owned piece of property the
School District didn't complete
its petitioning. Consequently the
school became the fire problem
of the Division of Forestry.

Then the Commissioners of the
two districts along with the Di-
vision of Forestry worked out a
mutual aid agreement. Should a
fire break out at the Mt. Miguel
High School, all three fire de-
partments can respond, or if all
fire trucks are away from the
Forestry on a State call, the SV
and LG Departments will take
over. At present there are three
fire plugs located on the grounds
of the Mt. Miguel High School.

Harold Hughes, business man-
ager of the Grossmont High
School District, said last week
that as soon as some "red tape"
is cleared up, the school district
will again petition to get into the
Spring Valley Fire Protection
District.

Too Few Colleges— Says Hegland

Rapid expansion in higher ed-
ucation facilities was urged Sat-
urday by Assemblymen Sheridan
Hegland, speaking at the eight-
eenth annual conference of the
California Teachers Association
at Camp Seeley, near Crestline.

Hegland was a featured speak-
er at the two-day conference
which attracted teachers from all
sections of Southern California.
"So severe is the competition,
and so limited the space, it is
more difficult for students to
gain admission into college to-
day than at any time in our na-
tional history," Hegland said.

Tens of thousands of young
sters now in grades five through
nine will be denied opportunity
for higher education unless the
"expansion is swift and substan-
tial," he said.

"Junior colleges, state colleges,
and the state universities are all
failing to expand swiftly en-
ough," he added.

"With our taxation laws, pri-
vate colleges are finding it in-
creasingly difficult to secure en-
dowments to keep pace."

'Good' Books Needed For Mt. Miguel Library

Put a lovely room, a lot of peo-
ple, some current magazines, a
few books, and about a thousand
feet of empty bookshelves all
together, and you will have a
fairly good idea of the library at
Mt. Miguel High School. There
are some books in the library, of
course. Reference books, dictio-
naries, special interest subjects,
even a few dull novels on the
shelf. The "good" books, so the
students say, are all in circula-
tion; the first person along after
a book is put on the shelf grabs
it and checks it out.

The special need at the Mt.
Miguel High School library at
this time is books, books, and
more books. Not old, beat-up
trash-pile junk that you're glad
to be rid of—but good, readable
books on almost any subject: a
book you've read and enjoyed
and would like to pass on to a
friend. Current or 'latest' books
are not requirements for a book
to be interesting. Biographies,
travel; books on specific subjects
such as rock collecting, shells,
Pacific coastal or mountain re-
gions, the desert, hunting and fish-
ing; American humor, classics,
translations of European litera-
ture—anything you would like
a teenager to read—would be
appreciated. Requests from stu-
dents range from books on the
operation and maintenance of air-
planes (not models) to more a-
bout art collections and history
of art. If you have pocket books
with the pages still all there, the
library can use them too.

Books donated to the school
library will be made available for
student use as fast as the library
staff can process them. They will
not tarry long on the shelves
either.

About 600 books are on order
for the library, but delivery has
been slow. It will take at least

almost understandable if the meandering paragraph is replaced in context... I think.

Newspaper Week also gives me an opportunity to tell about a San Diego County Publishers' dinner meeting I attended last month.

My wife and I were seated at the same table with Eugene F. Williams, esteemed editor of the San Diego Tribune, and his wife and Carlyle Reed, assistant to the Union-Tribune publishers. Before the speckmaking started we had a nice chat about things editorial, and our wives finally said collectively, that being an editor's wife has some drawbacks. Not the least of these they averred, is a condition of loneliness. Being an editor's wife, they thought, cut short some acquaintanceships before they had a chance to fully flower into friendship. Williams drew a card from his wallet on which was reprinted a piece by Franklin P. Adams, noted New York columnist. This, I think, puts into a couple of paragraphs what our wives, and hundreds of editors feel, but seldom voice.

that the newspaperman meets only two classes: Those who want to know why he printed it and those who want to know why he didn't. And in the course of years the newspaperman, who in an effort at honesty, prints many things and omits printing many things, loses many friendships—friendships insecurely founded, perhaps, but friendships whose wobbly foundations seem safe until they crumble.

"Our advice to young men about to enter journalism is to enter it if possible, for any other business or profession seems to us like shooting craps for no stakes. But to the youth we should add: Any friends you must consider as just so much velvet."

NOTICE OF SCHOOL BOND ELECTION

Notice is hereby given to the qualified electors of Lemon Grove School District, of San Diego County, California, that, in accordance with the provisions of the Education Code of the State of California, an election will be held on the 15th day of October, 1957, in the polling places named at the hereinafter described and designated precincts in this School District between the hours of 7:00 A. M. and 7:00 P. M. during which period and between which hours the polls shall remain open at which election there shall be submitted to the qualified electors of said School District the question whether bonds of this School District shall be issued and sold to the amount of Five Hundred Thousand and No/100 Dollars (\$500,000.00) for the purpose of raising money for the purchasing of school lands, the building or purchasing of school buildings, the making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs, the repairing, restoring or rebuilding of any school building damaged, injured or destroyed by fire or other calamity, the supplying of school buildings and grounds with furniture, equipment or necessary apparatus of a permanent nature, the improvement of the school grounds, the carrying out of the projects or purposes authorized in Section 18010 of the Education Code, to wit, providing sewer and water mains to treat and/or dispose of sewage and drainage on or away from each school property, and that all of the above elements of purposes shall be united and voted upon as one single proposition.

Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding 5% per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter, and the number of years the bonds, or any or all of them, shall run, shall not exceed 25 years from the date thereof or the date of such series thereof.

For the purpose of holding said election, the School District shall be divided into 4 Bond Election Precincts, and that the said precincts are hereby established as hereinafter numbered and described, and the persons hereinafter named being competent and qualified electors of said School District, and of the Bond Election Precinct for which they are respectively appointed, as herein-after designated; and said officers of election shall conduct said election and returns therefrom pursuant to law, as follows:

Bond Election Precinct No. 1 shall include all the area within the exterior boundaries of the Lemon Grove School District embraced in the following County General Election Precincts: Lemon Grove Nos. 1, 2, 3, 4, 5; Radio Precincts Nos. 1, 2, 3; Portion of San Diego Precincts Nos. 898, 899; Portion of La Mesa Precinct No. 13.

POLLING PLACE therein shall be at Vista La Mesa School, 7101 Pearson Street, La Mesa, California. Officers of Election for said Bond Election Precinct:

Inspector: Mrs. Marian L. Kinyon; Judge: Mrs. Eula Gertrude Bryant; Judge: Mrs. Pauline L. Edwards.

Bond Election Precinct No. 2 shall include all the area within the exterior boundaries of the Lemon Grove School District embraced in the following County General Election Precincts: Lemon Grove Nos. 14-1, 14-2, 15, 16, 17, 18, 19.

POLLING PLACE therein shall be at Monterey Heights School, 7550 Canton Drive, Lemon Grove, California. Officers of Election for said Bond Election Precinct:

Inspector: Mrs. Gladys M. Phares; Judge: Mrs. Lillian G. Allison; Judge: Mrs. Amelia Mangano.

Bond Election Precinct No. 3 shall include all the area within the exterior boundaries of the Lemon Grove School District embraced in the following County General Election Precincts: Lemon Grove Nos. 6, 7, 8, 9, 10, 11-1, 11-2, 12, 13.

POLLING PLACE therein shall be at San Miguel School, 7059 San Miguel Avenue, Lemon Grove, California. Officers of Election for said Bond Election Precinct:

Inspector: Mrs. Doris D. Jacobs; Judge: Mrs. Lucille Taylor; Judge: Mrs. Bernice E. Keeton.

Each qualified elector of said Lemon Grove School District shall be entitled to vote only in the School District Bond Election Precinct of which he is a resident.

The governing board of the School District will meet at 10 o'clock P. M. on the seventh day after the election at its usual meeting place and publicly canvass the returns.

IN WITNESS WHEREOF, we have hereunto set our hands this 10th day of September, 1957. FRANK ARMSTRONG, R. E. BROWN, T. W. BUCKNER, R. H. LANGE.

Top Heart Men

In S.D. Meet

A record attendance of San Diego County, Barstow, Corona, Imperial Valley and Tijuana physicians, interns, residents and nurses is expected at the San Diego County Heart Association's 7th Annual Professional Symposium on heart disease, October 3, Dr. Roger C. Isenhour, Symposium chairman, announced today.

"Advance reservations indicate that we will greatly surpass last year's attendance of 350 members of the medical profession at this heart symposium held early in the Naval Hospital Auditorium, Balboa Park," Isenhour said.

Among the heart specialists from this country and abroad who will present their investigations into heart diseases, is the chairman of the British Medical Society, Dr. A. Rae Gilchrist, Professor of Medicine, Royal Infirmary, Edinburgh, Scotland. He will review the experience of British physicians in the treatment of arrhythmias and coronary disease with anti-coagulants, digitalis, and other therapeutic measures.

"Other speakers who are among the tops in their respective fields include Dr. Donald B. Effler, Chief, Department of Thoracic Surgery, Cleveland Clinic, Cleveland; Dr. Maurice Sokolow, University of California Medical Center, San Francisco; Dr. William Dock, Palo Alto Medical Clinic, Palo Alto; and Cmdr. Arthur Draper, MC, USN, U. S. Naval Hospital, San Diego," Isenhour announced.

The symposium on heart diseases is sponsored each year by the San Diego County Heart Association as part of their professional education program, which brings existing knowledge and new knowledge gained through heart research to this area's physicians and workers concerned with the cardiac.

There are good stores in Lemon Grove. We have three children."

Mrs. Vera Buxton, 62nd Street, Encanto. "We like to shop in Lemon Grove because it's close to home. You can buy most anything here."

David DeCamp, El Cajon. "I am happy to be in Lemon Grove because of the progressive spirit of the people."

Mrs. Robert Hanann, 644 Cardiff, San Diego (Lomita Village). "I like to shop in Lemon Grove because it is so convenient. With us it's handy to get here with no traffic problem."

Gordon Robertson, 1870 Eldora, Lemon Grove. "I like to shop in Lemon Grove because it's close to home and there are reasonable prices. We have one teen age boy. We get the paper and always watch for the weekly bargains. It helps our meal planning considerably."

Mrs. J. W. Riley 8337 Lincoln, Lemon Grove. "We do all our shopping in Lemon Grove. With its growth it doesn't pay to go anywhere else. We have two girls."

Mrs. Ruth Ingham, 1905 Dale Street, San Diego. "I like to shop in Lemon Grove because I used to live here. I also went to school in Lemon Grove years ago. I still have a soft spot in my heart for the community. It's a lot different than it was when I lived here. The stores are real nice."

Albert Worrells, 1411 Madera, Lemon Grove. "The shopping center of Lemon Grove is quite close for us. I'm in the Navy Recruiting office in Hollywood, but my wife does most of the shopping for us. We have one son. There are good bargains here. Many of the stores are branches of those in San Diego."

Mrs. Bertha Cohenour, La Mesa. "There are many bargains in Lemon Grove. It's a nice trip here from La Mesa and the traffic isn't too bad. There are many good stores here and the shopping area is condensed."

Edward Chapman, Lakeside. "I like to shop in Lemon Grove because there are so many different types of stores and you don't have to make so many stops. It's easy to get here from Lakeside without too much traffic."

ON DISCOVERY DAYS

You are invited to come to Lemon Grove and see for yourself what a disgustingly healthy place it is, and how discouragingly husky and annoyingly hale all the residents are.

If it weren't for reasons of health, I believe I would pack up and go somewhere else where the folks are paler and punier. But maybe if I did I might lose my own good health and have to pay out all my excess profits on doctor bills. So I guess I will just stay on here in "pill-less Paradise" in the hope that someone may fall out of a lemon tree.

'CANDLE LIGHT' P.T.A. MEETING POSSIBLE

The first meeting of the Mt. Miguel High School PTA may have to be held by candle light, but is definitely to be held at 7:30 p.m. Thursday in the unfinished cafeteria building.

So said Mrs. John Dail, president, in announcing the plans for the initial meeting of the year. The school is still under construction and the electricity has not been connected up as yet so emergency lighting will be necessary.

"We will improvise lights some way," Mrs. Dail said. "We may have to use candles, lanterns or

flashlights. A committee is working to hook up a portable generator for the meeting and we hope that that will solve our problem."

Mrs. Dail said that plans are being made to provide light outside along the sidewalks leading

The program will be presented by a panel of counselors. The following will participate: John Kleinfelter (freshman), Robert Spencer (sophomores), Mrs. Venalee Field (Juniors) and Mrs. Vela Gwin (seniors). Principal Melvin Grant and vice principal

Virgil Duea will also speak.

Music will be provided by a choral group of the school and the faculty will be introduced, Grant said.

The new school is located on Sweetwater Ave. near La Presa Airport. The plumbers strike this summer delayed completion of the school, which is still under construction.

Helix PTA In Grade

Level Meeting This Week

Parents of Helix High School students will have a chance to meet all four class counselors and ask any pertinent questions at the Helix PTA meeting to night, October 3rd, at 7:30 p. m. in the cafeteria. It will be the first time all four grade groups meet at the same time.

According to Mrs. Carl Sullenberger, parent education chairman, the idea was suggested by a crowded calendar. Also, many parents want the needed information as soon as possible, and the first PTA meeting of the year

Gems To Get

Kiwaniannes Eye

At their regular monthly meeting on Monday, the Lemon Grove Kiwanianes will learn about precious stones, gem stones, and the methods and instruments used to cut, weigh, and appraise them. The speaker will be Richard Jessop, Jr., of the well known San Diego jewelry establishment. The program, arranged by Mrs. Frank Armstrong, will follow the business session. The president, Mrs. Max Goodwin, will preside.

The meeting will be held in the home of Mrs. John Landesco, 1940 Skyline Drive, and has been called for the usual time, 8 p. m. Mrs. Robert Sutton and Mrs. Vernon Officer will be co-hostesses.

Members are reminded that dues of \$1 are now payable to tide the group over the four-month transition period incidental to changing the club year to start January 1, as voted upon prior to the summer recess. Officers elected for the year which started in September, 1956, are serving the additional four months in order effect the change smoothly.

seemed the logical time to obtain it.

A short business meeting will be conducted by Mrs. F. M. Sawyer, Helix PTA president. The new teachers will be introduced and Mrs. E. F. Brady, membership chairman, will urge everyone to join the PTA during her campaign, October 7-11. Mrs. Virgil Danielson, budget and finance chairman, will offer the proposed budget for 1957-58.

Mrs. Sullenberger will then introduce the four counselors: Wilmer Brobst, freshman; Mrs. Hazel Bole, sophomore; Robert Carlton, junior; Ross Wallis, senior. Each counselor will take his respective group to another room for their individual meetings. Parents who will assist are Mrs. Thomas Cooper, Carl Sullenberger, Mrs. Glenn Moon and Harold Mayer.

Sen. Kraft To View

Chicken Problems

State Senator Fred H. Kraft (R-San Diego) announced that at his request, the Joint Legislative Committee on Agricultural and Livestock Problems, headed by Senator Paul Byrne (R-Chico), and the Assembly Interim Committee on Livestock and Dairies, Chairmanship by Assemblyman Thomas Erwin (R-La Puente), will meet in San Diego at the Chamber of Commerce Building on November 12.

"Because I have been contacted by many of our local turkey and chicken processors who are opposed to certain regulations adopted by the Department of Agriculture, I asked Senator Byrne to come to San Diego and study the situation," Senator Kraft stated. "I am satisfied that in many instances these rules will work a great hardship upon our San Diego processors. Furthermore, since I agreed to do all I could for our local people, word of my personal interest reached other areas of California. Recently I received telephone calls from processors in four additional trouble spots of the State asking for my assistance. I hope those processors who talked with me as well as all others who are interested will attend the November 12 meeting and explain their views to the members of these legislative Committees."

DID YOU EVER TRY TO BUY A GREEN DOG?

DISCOVER FOR YOURSELF Why only St. Patrick can buy a green dog in our shop! Because we fit the pet to the people! We never sell dogs to people who intend to keep them tied.

Many people come here knowing exactly what they want and go away with something different. An elderly couple came to buy goldfish and went home with a frolicsome puppy that brightened their childless old age.

That's why so few of our pets come back—and why our customers become our friends and always come back.

Third Polio Shot Soon Due

More than 100,000 persons throughout San Diego County are now ready or will soon be ready for their third Salk vaccine inoculation against paralytic poliomyelitis.

Dr. J. B. Askew, Director of the San Diego Department of Public Health, said yesterday the third injection of the vaccine should be given seven months after the second injection. He pointed out that all persons who received their second injection during the early part of the public immunization program this year are now ready for their third injection. He said they should see their family doctor.

The third inoculation of Salk vaccine is absolutely essential. Dr. Askew added, for the fullest possible protection against the crippling effects of poliomyelitis. The first injection raises that effectiveness to about 85 per cent.

"The series of inoculations is not considered complete, however, without the third injection," Dr. Askew said.

During the public immunization program early this year, public inoculation centers were scheduled on two different Saturdays in each of seven major population areas of the county. Persons who had one inoculation before the program began and who received their second inoculation at any of the public centers scheduled at schools in the Heartland area on Saturday, March 2, are now eligible for their third injection, Dr. Askew said.

"Many people received their injections at group clinics arranged by the San Diego County Medical Society or at their doctor's office," Dr. Askew went on. "It would be a good idea for them to check their calendar to be sure when their seven month waiting period will be up. As soon as possible after that date they should make an appointment

with their doctor for a third inoculation."

Dr. Askew urged all persons under 40 years of age who have not yet received any Salk vaccine inoculations to arrange with a physician to begin the series of inoculations at the earliest possible date.

"Serious poliomyelitis outbreaks come in cycles," he said. "This has been a year of light incidence. Even during a light year like this one, however, we have had two fatalities among county residents. Neither one of those persons had been immunized."

OPENING—Here is a scene on the opening day in Lemon Grove. The opening was described as Market Basket boasts 30,000 square feet of space. Market is seventh in growing chain. Eighth is being completed in El Cajon.

Traffic was jammed Thursday, Friday and Saturday on Imperial Avenue near Golden as thousands of shoppers converged on the newly opened Food Basket Market.

It was easily one of the biggest turnouts for any market opening in San Diego County according to at least one major food distributor who supplies merchandise to all markets.

Lee Nemecek, division manager for Food Basket Markets, a division of Lucky Stores, Inc., said that the market's doors were closed several times during opening days because the press of people was so great inside. "We feel we could reduce confusion among our shoppers by steadying the flow during the several peak periods," Nemecek said.

Nemecek, who was born in San Diego and went through the San Diego school system said that waiting at the door gave him a chance to get re-acquainted with some old friends. "One lady with whom I talked while the doors were closed for a few minutes proved to be a former grade schoolmate of mine. At that time she lived on 18th Street in San Diego. 18th St. was in the suburbs then. Another visitor, the fellow who did the grading work on the road in front of the store was a former boyhood playmate."

The huge 30,000 square feet of market employs 70 persons, most of them local, according to Glenn Botts, store manager.

In the 100,000 square feet of parking area during the opening, ten uniformed private police moved autos in and out without confusion. Traffic was routed so that no left turn could be made from the market on Imperial, and this traffic complication.

Inside the market crowds thronged up and down the shopping aisles, and a good natured crowd it was. Twelve cashiers had two to twenty patrons in line at the check-out stands waiting to pay their bill, but the waiting was not long. Most of the check-out girls had been trained at other Food Basket markets.

The market was built for Sonka Brothers of Lemon Grove. A. F. "Tony" Sonka, one of the principals said he was gratified the opening had gone so well.

"We think the entire community can benefit from the opening of Food Basket," Sonka said. "As a greater variety of shops come, more shoppers from other communities as well as Lemon Grove will be attracted. This should make greater shopping convenience for patrons, and more business for all local retailers."

Mrs. Amy Sonka, widow of Emil Sonka, of Sonka Brothers, was one of the opening day shoppers at Food Basket. "The friendliness and courtesy of this organization can't help but enrich the community of Lemon Grove," she said.

Division manager Nemecek was on hand most of the time during the opening. His chore was complicated by the fact that walls of another \$725,000 Food Basket Market were rising rapidly in El Cajon at First and Main Streets and he had to split his attention between the Lemon Grove and El Cajon projects.

"We at Food Basket are tired ... but very happy with the recep-

tion of Food Basket Market at Golden and Imperial the "biggest ever held in San Diego County." shopping area, 100,000 square feet of parking space. Market is seventh in growing chain. Eighth is being completed in El Cajon.

The 'Greatest'

"The greatest show on earth 'The Greatest Show on Earth.' That title is synonymous with the Ringling Bros. and Barnum & Bailey circus which will begin a four-day and night run at Lane Field Oct. 10. In keeping with the industrial age, the greatest show will produce some new innovations. With the 1957 season has come the prefabricated rigging supports which hold aloft the miles of steel rope and cable, trapeze and aerial rigging, traps and other paraphernalia on which a great share of the circus stars perform high above the ground. Also in keeping with the streamlining, the old tents have been removed. But none of the excitement and color has disappeared.

☆ The licenses of 1549 drivers found to be negligent operators were revoked by the State Department of Motor Vehicles last year.

HAPPY—One of the happiest children in San Diego county last Friday was little Charlee Bradley, of 3808 Riviera Drive, Lemon Grove when she was presented a pony, complete with saddle and bridle by George A. Scott, president and general manager of Walker Scott Company.

The pony was presented for the store's recent "Name the Pony" contest during the Back-to-School period. The name chosen for the pony was "Wascal," a derivation of the words Walker, Scott and Rascal, and was one of more than five thousand submitted.

Charlee is the six year old daughter of Mr. and Mrs. C. L. Bradley.

In the photo are Charlee and Jebeie Bradley flanked by David Britton and George Scott of the Walker Scott firm.

Indian Guides Pow-wow Set For This Week

Fall enrollment of dads and sons of the "Y" Indian Guides program starts Thursday of this week in seven Lemon Grove and Spring Valley schools, says Ralph Meier, Chief of the Cheyenne Nation.

The "Y" Indian Guides is a program of the County YMCA. Each fall new tribes are organized with dads and their first grade sons. Purpose of the program is to multiply the things father and son can do together at a period when the boy feels his dad is the greatest man on earth. At present, there are 34 such tribes with nearly 600 fathers and sons as members here in the Heartland area.

Following is a schedule of tribes, chiefs and meeting places. All meetings are at 7 p.m.

Inkepahs—R. W. Traber, chief, Casa de Oro School room 10.

Parrites—Frank Foster, chief, Spring Valley room 18.

Seminoles—Dan Tousley, chief, Bancroft school, room 14.

Mohegans—Victor Riska, chief, San Miguel, room 1.

Shawnees—Ralph Meier, chief, Golden & Palm, room 9.

Shoshones—A. M. Walden, chief, Monterey Heights, room 1.

Round-the-Clock Prayer Set For Lutherans

The Lutheran Evangelism Mission begins this week with the consecration of visiting teams at the regular service Sunday at the Lemon Grove Lutheran Church. Prior to this service there will be an around-the-clock prayer service for the mission. This will be conducted Saturday from noon til midnight with one person every fifteen minutes coming to the altar to pray.

Two children were baptised Sunday. They were Marvin Ernest, son of Mr. and Mrs. Marion McAnear, and Douglas Paul, son of Mr. and Mrs. Frank McCreedy.

Youth of the church participated in the worship services last week. Two girls gave their reports on Youth Leadership school they had attended during the summer. The girls were Brenda Priest and Carol Knight. A parents' night pot-luck banquet followed.

in San Diego County?**

Mr. & Mrs. E. Z. Living & family

Like so many San Diego County families, they've made life happier for themselves with time-saving, work-saving appliances financed through Bank of America Timeplan Loans. To make these purchases possible and for other worthwhile needs—from meeting financial emergencies to building pleasant patios—our local branches last year made nearly 69,000 Timeplan Loans—totaling over \$82,500,000! This readiness to provide broad financial help is typical of B of A service in your county. We're statewide, sure... but local, too!

Matadors Larrup Mar Vista 20-6
By Jerry Wingo

Wayne Summers and Rocky Barsotti paced a smooth running Mt. Miguel High School football team to a 20-6 victory over Mar Vista High.

The Matadors opened with a bang, when halfback Summers took the opening kickoff for a ride of 80 yards. Barsotti converted on a drive over tackle.

Three minutes later, Summers again got into the scoring column by taking a 35 yard pass from quarterback Pete Jernigan. Barsotti again converted.

Early in the third quarter, Dick Cook set up the last Matador touchdown by intercepting a Mariner pass on the Mar Vista 40 yard line. Five plays later fullback Barsotti fought his way over for the score. Jernigan's try for the extra point failed.

Mar Vista's lone touchdown came on a 44 yard drive late in the fourth quarter. Just before the ending gun, halfback Audley Partee went over for the score.

DEADLINE NEAR FOR HOSPITAL AUXILIARY LUNCHEON

Grossmont Hospital Auxiliary members are being reminded that reservations for the general meeting luncheon on October 11 must be in before October 4. On the latter date, the area chairmen—with whom reservations should be made—will make a report at the regular monthly meeting of the executive board. The luncheon, as has been announced, will be served at 11:30 a.m. (\$1.50 per plate), in the Masonic Temple, on Ballantyne Lane near Beech, El Cajon. The general meeting will follow, at which—in addition to other important matters—recently made proposals for major by-law revisions will be discussed and voted upon. The business session will start at 1 p.m.; for the convenience of members who may be unable to attend the luncheon.

Little League To Install 1958 Officers

Installation of the 1958 officers of the Lemon Grove Little League will highlight the regular monthly meeting scheduled to be Monday, October 7 at 7:30 p. m. at the San Miguel School.

Mr. Carmine Ursillo, newly elected president, announced he will name the people who will become the Board of Directors for the forth-coming year.

"It is the job of these directors to handle the majority of the league's business," Ursillo commented.

All managers of the teams participating in the Little League program will be required to complete an application to manage a team in the 1958 season.

Mr. Ursillo also announced that a report of the progress the Little League Committee is making on obtaining a permanent home for Lemon Grove, will be made.

Activities that are planned to help raise funds will also be announced and interested persons may volunteer for the committee of their choice.

"This will be a very important meeting for the parents and members of the Lemon Grove Little League and I hope we will have a good representation on hand," President Ursillo concluded.

Awards Made To Scouts In Candlelight Ceremony

Sixteen Boy Scouts of Troop 322, Lemon Grove, were presented awards by Scout Master H. C. Stubbs at a candlelight court of awards ceremony Thursday, September 26 at the Veterans of Foreign War Hall at Lemon Grove.

Awards were presented to: Mike Alexander, Star with 3 merit Badges, Cooking, Fishing, First Aid and 1 year pin; Paul Van Riper, Star with 2 merit Badges, Fishing, Painting; Gilbert Doddridge, Second Class with 2 Merit Badges, Cooking, Firemanship; James H. Dorland, Second Class; Robert G. Wilber, Second Class with 1 Merit Badge, Cooking; George Holderbach, Tenderfoot with a 1 year pin; Eddie Pendergrass, Tenderfoot; Micky Wheeler, 2 Merit Badges, Cooking, Firemanship; Robert Riggs, 1 Merit Badge, Cooking; Richard Baker, 2 Merit Badges, Home Repair, Fishing; Larry Hill, 1 Merit Badge, Cooking; Jim Gibbs, 1 Merit Badge, Home Repair; John Hoffman, 1 Merit Badge, Cooking; Jimmy Severy, 1 Merit Badge, Cooking; William Moore, 1 year pin; Tony Garcia, 1 year pin.

Follow the awards presentation, Harvey Madden of the San Diego County Boy Scout Council, congratulated the boys on their accomplishments.

More Than 400 To Attend Baptist Sunday School

The membership of the local First Baptist Church, located at Main and Burrell Streets, begins a new church calendar this year this Sunday when 401 persons are expected to march toward Sunday School at 9:30 a.m. The church has grown so rapidly during the past year that it was found necessary to organize new departments and classes throughout the Sunday School. Over forty new workers have been enlisted to serve in official capacities. The church is in the process of selecting five additional deacons bringing the deacon-body up to a total of 15. A special service is being conducted Sunday when all general officers, teachers, leaders and counselors will be installed for active service for the new year.

MODERN ELECTRIC RANGE

Yes, Ma'am - You can cook better meals automatically... when you cook electrically!

WHAT'S MORE -

ELECTRIC COOKING IS "WHITE GLOVE" CLEAN! (And it's odorless, too.) The range stays clean... walls and curtains stay clean... pots and pans stay clean.

ELECTRIC COOKING IS FULLY AUTOMATIC. When baking or frying or broiling, roasting or stewing or boiling, an electric

range automatically provides exactly the right amount of heat... for precisely the right cooking time... every time.

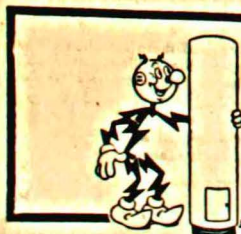

ELECTRIC COOKING IS EASY. Automatic features free the cook from pot watching and assure consistently delicious results. An electric range is so safe, simple and sure that even a child - or a husband - can cook with success.

ELECTRIC COOKING IS ECONOMICAL. A modern electric range helps to cut down on food waste... helps prevent costly cooking failures.

ELECTRIC COOKING IS MODERN... SAFE... COOL... QUICK... CONVENIENT... AND DEPENDABLE - MONTH AFTER MONTH, MEAL AFTER MEAL.

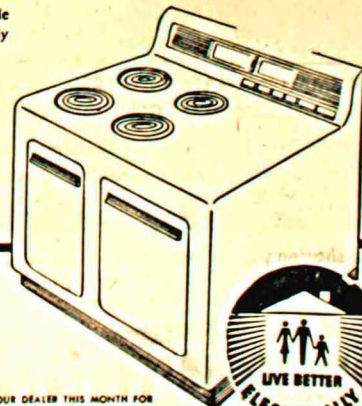

See your dealer now. He has the electric range that's right for your kitchen... and the payment plan that's right for your budget.

COOK BETTER... LIVE BETTER... ELECTRICALLY!

Heat water the modern way - Electrically!

Modern electric water heaters are fast, safe, dependable. And you can install your electric water heater in any location that's convenient for you - because there's no need for exhaust or ventilation outlets. Mrs. Warner To Head Democrat\$ Drive

Mrs. H. J. Warner, 7815 Mt. Vernon Street, has been appointed Lemon Grove chairman of the 1957 Dollars-For-Democrats Drive according to G. K. Williams, Democratic County Chairman, Friday and Saturday, October 11 and 12, have been set aside for the na-

tion-wide Democratic door bell ringing through which it is hoped to get millions of Democrats to "come to the aid of their Party" to the tune of at least a dollar or two.

"The idea behind this drive, which was successfully inaugurated last year," said Williams, "is to have the Party's funds come from the grass roots; thus avoiding the strings that may be attached to large contributions from sources of great wealth."

Mrs. Warner, who is president of the Lemon Grove Democratic Club, has been enlisting the aid of club members and other local Democrats, in covering the twenty-six precincts which comprise Lemon Grove. Because of a late start, last year, it was found that many who wished to make a contribution were not called upon. Mrs. Warner hopes to avoid such a happenstance, this year; but,

Square Dance News

COUNTRY COUSINS

The Country Cousins have two new callers and everyone is invited to La Mesa junior high to "square up". George Vagberg calls on the first and second Saturday while Ray Columbe calls on the third and fourth.

Three Tahitian and Hula dancers will provide a dance program October 5.

FRONTIER SQUARES

Frontier Dancers have changed dance nights to first and third Saturdays at Spring Valley Jun-

ior High. First dance held on this new night was a real wingding! A door prize and prizes for a rip-snortin' balloon dance were won by Jo Eberwein and Frank Snodgrass.

Guests included members from Country Cousins, Double M Squares, Swinging Stars, Bachelors 'N Bachelorettes and a whole gang of Wheeling Stars including Tom Montague who added to the festivities with his calling.

Next dance will be October 5 at Spring Valley Jr. high at 8 p. m. with the ole maestro, Bill Keller, doing the honors. Plans are now in the hopper for a gala Halloween Dance.

MERRY WHIRLERS

Columbus Day will be celebrated by the Merry Whirlers when they dance to the calling of Clarence Montgomery on October 13, at 8:00 p. m., at the Women's Club House, Gillespie Field, El Cajon.

Beginners' class being conducted at the Bancroft School in Spring Valley by Clarence Montgomery has gotten off to a good start, but more men are needed to dance with the single ladies. These classes are every Friday at 7:30 p. m.

HEARTLAND HOEDOWNERS

The exhibition group of the Heartland Hoedowners danced at Knott's Berry Farm Friday night, September 27th. From the sound

of the ovation, they were a huge success.

Fed Mart has invited the group to exhibition dance for them Saturday night, in Balboa Park.
